CLIENT TESTIMONIALS

- *St Meryn Meats*

"We have used APT for years and find them totally reliable, easy to deal with quick turn around times. The products work and our costs have reduced."

- *Haberdashers' Monmouth School*

"We found Aquacleanse is the best product that we have ever used; I can't speak highly enough of it or the company. We'd had a lot of problems with other products not cleaning like they were supposed to. It has saved us money and time in cleaning and achieved excellent results."

- *Ralph Trustees'*

"I was looking for a simple to use, effective and efficient way of sanitising larger spaces around the Hotels, particularly those areas that contained contain fabrics (chairs, settees, curtains, carpets). The solution provided by APT was a Tornado B fogging machine with Viro-kill Concentrated anti-viral sanitiser."

- *Royal Court Liverpool*

"Not only helping speed up the process of cleaning between shows. APT's knowledge and guidance helped with choosing the correct machine fit for purpose. After a brief trial of the chosen machine, we went on to order a further Seven. We now use these in other areas of the theatre and rehearsal rooms."
